DHHS ‘Drive-Thru’ Job Fair June 10 to Provide Information on Job Openings

Fremont – For persons wanting information about job openings in Fremont at the Department of Health and Human Services (DHHS), it will be as easy as driving through a parking lot and never leaving their car on Wednesday (6/10) from 12-3 p.m. at 839 So. Broad St., according to DHHS human resources staff.

What DHHS calls a Drive-Thru Job Fair has been well received in the past and an effective way to find employees. The openings are in the Economic Assistance section of Children and Family Services.

Employees will hand information to interested persons who drive in.

In addition, those desiring to apply for jobs may complete an application onsite.

Representatives also will be available to answer questions about career opportunities with the department and tours will be offered.
